Customer Advisory -- Price Adjustment – Effective 1st January 2027

October 2026

Dear Valued Customer,

Warm greetings from all of us at **Philair Logistics GmbH**.

First and foremost, we would like to express our sincere gratitude for the trust and confidence you have placed in Philair over the years. Your continued support has enabled us to proudly serve the Filipino community in Switzerland by helping families stay connected through our Balikbayan Box service.

At Philair, we remain committed to providing safe, reliable, and professional door-to-door delivery services to your loved ones throughout the Philippines. This commitment has guided every decision we have made since Philair was established, and it continues to inspire us every day.

Over the years, the costs of international shipping, transportation, insurance, fuel, and daily operations have continued to increase. Despite these rising expenses, we have worked hard to absorb as much of these additional costs as possible while maintaining affordable rates and the quality, reliability, and personal service our customers have come to expect.

To ensure that we can continue providing the reliable and professional service our customers deserve, our updated 2027 Price List will take effect on 1 January 2027.

We are providing this advance notice several months before the effective date to give all our valued customers ample time to plan their future shipments.

All bookings confirmed on or before 31 December 2026 will continue to enjoy our current 2026 rates.

Enclosed is our **2027 Price List** for your reference.

At Philair, we understand that every Balikbayan Box carries more than gifts—it carries love, memories, and the enduring connection between families. It is both an honour and a privilege for us to continue being entrusted with that responsibility.

On behalf of the **Philair Family**, we sincerely thank you for your continued trust, loyalty, and support. We truly appreciate the opportunity to serve you and your loved ones, and we look forward to continuing to earn your trust and serving your family for many years to come.

With our sincere appreciation,

Philair Logistics GmbH
